

Kia ora,

As a member of the NZ Area School Association, we would like to invite your students to this year's NZASA Music Camp

NZSA MUSIC CAMP 2025

What is this?

This is an opportunity for students from around NZ to meet and gather in Christchurch, to form their own bands, rehearse and then perform in front of a live audience.

Students are grouped into bands, and are then mentored by musicians from the local community/industry.

After 2x days of practice, they all participate in a live show, which is also streamed online to allow family and friends to watch.

The camp also includes additional activities, and in past years students have also been able to participate in experiences such as escape rooms, laser tag and movie nights.

The Music Camp runs every 2x years, and has run since 2021. This will be the third camp.

Who Can attend?
