

NZASA Newsletter - 4 December 2023

Kia ora koutou ngā kura takiwā o Aotearoa

What a year! The elephant is in the room! The newly formed Coalition government (National, Act and NZ First) will have a noticeable impact on education as we recall the detrimental effects of a National led government in our recent past. Our voices will be needed now more than ever. As the new year approaches, changes have already been signalled - with confirmed details to be shared in 2024. Our Executive will keep you informed.

Congratulations go out to Stephen Beck (Principal Hurunui College) who has been appointed to the role of Area Schools Leadership Advisor for 2024. We know that his experiences as an Area School Principal and President of NZASA will stand him in good stead. Stephen will stay connected with the Executive as he works in and around our Area Schools throughout 2024.
